

## Press Release

# TechnipFMC Awarded Significant Contract by Woodside for Julimar Phase 3 Development

**NEWCASTLE & HOUSTON, June 14, 2023** — TechnipFMC (NYSE: FTI) has been awarded a significant<sup>(1)</sup> contract by Woodside Energy<sup>(2)</sup> (LON: WDS) to engineer, procure, construct, and install flexible pipes and umbilicals for the Julimar Phase 3 development, offshore Western Australia.

The Company will tie back four subsea gas wells in the Carnarvon Basin to the existing Julimar subsea infrastructure producing to the Wheatstone platform, using high pressure, high temperature (HPHT) flexible pipe and steel tube umbilicals.

Jonathan Landes, President, Subsea at TechnipFMC, commented: “We have a strong history of solid project execution with Woodside as demonstrated by the successful delivery of the [Pyxis](#), [Lambert Deep](#), and Greater Western Flank Phase 3 projects. We look forward to continuing this collaborative relationship with this award on Julimar Phase 3 as part of our framework agreement.”

*(1) For TechnipFMC, a “significant” contract is between \$75 million and \$250 million. This award will be included in inbound orders in the second quarter of 2023.*

*(2) Woodside Energy Julimar Pty Ltd (Woodside Energy) is operator on behalf of the Julimar joint venture participants. The participants are Woodside Energy (65%) and KUFPEC Australia (Julimar) Pty Ltd (35%).*

### Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "expect," "believe," "estimated," and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

### **About TechnipFMC**

TechnipFMC is a leading technology provider to the traditional and new energy industries, delivering fully integrated projects, products, and services.

With our proprietary technologies and comprehensive solutions, we are transforming our clients' project economics, helping them unlock new possibilities to develop energy resources while reducing carbon intensity and supporting their energy transition ambitions.

Organized in two business segments — Subsea and Surface Technologies — we will continue to advance the industry with our pioneering integrated ecosystems (such as iEPCI™, iFEED™ and iComplete™), technology leadership and digital innovation.

Each of our approximately 20,000 employees is driven by a commitment to our clients' success, and a culture of strong execution, purposeful innovation, and challenging industry conventions.
