

Technip awarded a project management contract in Poland

December 13, 2007

Paris, December 13, 2007

Technip has been awarded by Grupa Lotos a project management services contract for the Gdansk refinery in Poland.

In this framework, Technip will manage several projects aimed at upgrading the Gdansk refinery and increasing its capacity, ensuring their proper, safe and internally coordinated execution, on schedule and within budget.

Technip's operating center in Rome (Italy) will execute this contract with support from the Group's center in Warsaw (Poland).

The contract is scheduled to be completed by November 2010.

This project marks another step in the collaboration between Technip and Grupa Lotos, following the recent award of the contract for the implementation of a hydrocracking unit in the Gdansk refinery.
