

TechnipFMC Awarded Contract Offshore Malaysia by Sabah Shell Petroleum

March 26, 2018

LONDON & PARIS & HOUSTON--(BUSINESS WIRE)--Mar. 26, 2018-- TechnipFMC (NYSE:FTI) (PARIS:FTI) has been awarded an Engineering, Procurement, Construction and Installation contract by Sabah Shell Petroleum Company Ltd.

This award covers the delivery and installation of subsea equipment including umbilicals, flowlines and the subsea production system for the Gumusut-Kakap Phase 2 Project.

Hallvard Hasselknippe, President of TechnipFMC's Subsea business, commented: *"We are extremely honored to have been awarded this project by Sabah Shell Petroleum. This award demonstrates the added value of our unique integrated offering (iEPCI™) and brings TechnipFMC's integrated model to the Asia Pacific region."*

Important Information for Investors and Securityholders

Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "scheduled," "estimated" and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. Known material factors that could cause our actual results to differ from those in the forward-looking statements include the Company's ability to successfully deliver, and Sabah Shell Petroleum Company Ltd's acceptance of, the various subsea products ordered. For additional information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Registration Statement on Form S-4, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

About TechnipFMC

TechnipFMC is a global leader in subsea, onshore/offshore, and surface projects. With our proprietary technologies and production systems, integrated expertise, and comprehensive solutions, we are transforming our clients' project economics.

We are uniquely positioned to deliver greater efficiency across project lifecycles from concept to project delivery and beyond. Through innovative technologies and improved efficiencies, our offering unlocks new possibilities for our clients in developing their oil and gas resources.

Each of our more than 37,000 employees is driven by a steady commitment to clients and a culture of purposeful innovation, challenging industry conventions, and rethinking how the best results are achieved.
